IN THE CFD

The following are opportunities for your charity to be better involved with the CFD. Head to www.give.wa.gov for more details and direct sign up links

EVENT BOOTHS AND CFD VOLUNTEER EVENTS

Here are just a few opportunities to connect with CFD donors and volunteers:

- Public Service Recognition Week (May 1-7)
 - With over 120,000 state employees around Washington, this is a good week to recognize public servants on your social media.
- UW Virtual Charity Fair (October, TBD)
 - Contact uwcfid@uw.edu for more info
- Webinar/ WebEx Events (October-December)
 - Keep up with your agency updates for more information

- Speak directly to potential donors and volunteers in state agencies. This format gives our volunteers the chance to connect with you and your charity's mission!
 - **This option is available to sign-up anytime.** Our CFD Volunteers will be able to find your organization's information to ask your organization to come speak directly to their staff.
